

**HansaWorld, a global ERP and CRM business software vendor,
is seeking to employ a Consultant for our office based in Cape Town.**

CONSULTANT

HansaWorld in South Africa is looking for a person responsible for customisation of the HansaWorld software and its derivatives to the customers' requirements. We offer superb training and career development with a friendly and dynamic environment. HansaWorld provides the chance to learn various skills from both a technical and business point of view, and be part of team working on the latest IT projects and technologies.

Responsibilities:

- Plan, develop, test, and document HAL (Hansa Application Language) work, applying knowledge of programming techniques and computer systems
- Provide technical consultations to colleagues
- Be main point of contact for HAL issues for partners and customers
- Read manuals, periodicals, and technical reports to learn ways to keep up with industry's development
- Regularly attend HAL educations to maintain the skills

Skills:

- Excellent communication and presentation skills
- Ability to assess a situation from the end user's perspective
- High level of computer competence
- Eager to learn and take responsibility; organised and self-motivated

Requirements:

- Degree / diploma in Information Technology / Informatics / Business / Accounting
- 1-2 years experience in the field or related; ERP preferred
- Fluent English both verbal and written
- Ability to assess a situation from the end user's perspective
- Driving license

Organisation Relationships:

The Consultant reports directly to the Country Manager and International Service Manager.

Benefits:

- Opportunity to travel internationally
- Potential for rapid professional growth
- Work as part of a diverse international team
- Good bonus system and competitive salary to start with
